

Website Posting Certification Form

Dear Planning Board Applicant:

Mt. Lebanon Municipality is committed to providing public information to our residents as part of the land development and subdivision approval process. Mt. Lebanon maintains a page on our municipal website to inform residents of current land development and subdivision plans before the Planning Board. Mt. Lebanon Planning Board meetings are open, public meetings which may be attended either in-person or virtually via the Zoom webinar format. All documents submitted to Mt. Lebanon as required by the Municipal Code, including but not limited to: Chapter XX *Zoning* and Chapter XVI *Subdivision and Land Development*, are considered part of the public record of the Planning Board and are public records under Pennsylvania's Right to Know Act. Chapter XVI *Subdivision and Land Development* of the Municipal Code requires that both hard copies and electronic copies of all application materials be provided to the municipality as part of the submission for land development or subdivision approval. In order to increase public accessibility to proposed land development and subdivision plans, Mt. Lebanon may post any submitted documents on our municipal website for public viewing.

This certification form acknowledges the applicants understanding of the statements above and agrees to Mt. Lebanon's posting any of the documents submitted with the land development or subdivision application to the municipal website.

Sincerely,

Ian McMeans
Assistant Manager/Planner
Mt. Lebanon Municipality
